FIELD VISIT REPORT

VISIT BY RANJU SARMA
SILAPOTHAR, ASSAM | JAN 2026

Rural Volunteer Center (RVC) *AFNA-RVC-SUSTAINABILITY project*

- AFNA-RVC-Sustainability project was to cultivate Rabi crops in the flood prone terrain in the Silapothar area to give them sustainable living year round
- AFNA volunteer **Pallav Saikia** and RVC director **Luit Goswami** spearheaded project
- AFNA invested \$13K for 30 households in 2 villages - this money was used to prepare the soil, procuring seeds, cost for selling the produce in the market
- The participating farmers provided \$6k of labor and their land
- Project was great success- at the end of the cultivation farmers **returned a portion of the profit to the village rolling fund** which was 80% of the AFNA investment
- Early crops did extremely well - potatoes suffered yield due to prolonged drought
- Farmers expressed pressing need for ground water irrigation

What Stood Out

- Skill and dedication of the volunteers
- Harmony among the participating farmers
- Farmers are happy & interested in projects that gives them sustained livelihood

What is Next

- To expand the project by adding new families
- Look into providing ground water irrigation one per village

**How you can help: \$500 supports 1/3 of the cost of a borewell, or to add a new household.
Please pledge your donation**

FIELD VISIT REPORT

VISIT BY RANJU SARMA
MAJULI, ASSAM | JAN 2026

Humingbird School

- ➡ Aswathy welcomed us and introduced us to the founder, Bipin Dhane
- ➡ We were greeted with a lunch reception and a tour of the campus
- ➡ Medium of instruction is English, with strong emphasis on learning Assamese
- ➡ The school offers a rich STEM curriculum, complemented by a strong focus on extracurricular activities, local music, and cultural education
- ➡ Our visit coincided with a visit by Adil Hussain
- ➡ Students demonstrated a strong understanding and appreciation of local Sattriya traditions and Bihu culture

What Stood Out

- ➡ Confidence & maturity of our tour guide
- ➡ Vision & dedication of the founder Bipin Dhane
- ➡ Design of the school campus
- ➡ Standard of the HATIPATI quarterly magazine
- ➡ Thoughtful & intelligent questions during guest speakers' presentations

How you can help: \$500 supports 1 student for 1 year
Please pledge your donation (FCRA pending)

Vidya The Living School & Banana Fiber Project

- ➡ Located near Arunachal Pradesh border in the Northern Dhemaji district
- ➡ Boarding school in an ashram like setting
- ➡ Beautifully curated library and outdoor study spaces
- ➡ Strong emphasis on extracurricular and practical life skills
- ➡ Dedicated team of teachers
- ➡ Banana fiber project will be a life skill project in the future
- ➡ The banana fiber project needs more work before scaling up

FIELD VISIT REPORT

VISIT BY NABARUN DAS
GUWAHATI, ASSAM | FEB 2026

Kalyani Niwas *Girl child shelter and protection home*

- AFNA continues to provide medical need and support for food and hygiene
- Infrastructure of the home were good and children were happy with the living conditions
- After Care program initiated for girls above 18
- Potential for “sponsorship” program for individual children (such as a bright girl child in science and education, or a special needs blind child trying to win a national singing competition)

Ashaneer *Special Needs children home*

- Home is in full capacity of 25 children and caters to children with cerebral palsy, downs syndrome, locomotor disability and sensory disability
- Children have started to get heavily involved on vocational activities and are very well mannered and disciplined
- Funds are solely based on donor provisions
- AFNA supports medical needs including physiotherapy

FIELD VISIT REPORT

VISIT BY LIPIKA DEKA
GUWAHATI, ASSAM | NOV 2025

Akshar Foundation

- Campus demonstrated a mature, student-centered model that blends academics, hands-on projects, vocational skills, peer teaching, technology, sustainability, and community service into everyday learning
- Student-led tour, live classroom observations, and conversations with founder Alaka Medhi and her team highlighted student confidence, leadership, and practical responsibility
- Opportunity for continued support
- Continue donor-advised support for infrastructure needs -especially solar panels - to strengthen sustainability goals and long-term capacity

What stood out

- Student confidence & leadership: A student-guided tour reflected the communication skills and ownership Akshar builds
- Integrated learning model: Classrooms showed academics connected to projects, peer support, and practical skills
- Government of Assam extension: Akshar is scaling its model through work with government schools in Assam
- AFNA's support carried forward: AFNA support from 2017–2022 helped scholarships, teacher salaries, and infrastructure.

An organization AFNA supported in its earlier stages is now positioned for broader education impact across Assam.
